

How to get access today to ASAQ at a “No profit-No loss” price?

- The artesunate plus amodiaquine antimalarial fixed-dose combination (**ASAQ**) is available as **ArteSunate-AmodiaQuine Winthrop®** for public markets, NGOs and not-for-profit institutions, and under the brand names **Coarsucam®** for the private market or **Coarsucam® Impact Malaria** for “no profit-no loss” social programs with the private sector.

In many countries, Coarsucam® needs to be registered before ArteSunate AmodiaQuine Winthrop® can be submitted to national regulatory agencies

- Until Artesunate Amodiaquine Winthrop® is registered, **NGOs and other not-for-profit institutions who are interested in obtaining ASAQ can purchase Coarsucam® Impact Malaria at a “no profit-no loss” price under the following conditions:**
 - Coarsucam® Impact Malaria is registered in the country of interest (AMM or authorisation of importation)
 - Minimum order of 5000€
 - Qualified person (“pharmacien responsable” or “responsible pharmacist”) required
 - Storage facility available at country level
- Coarsucam® Impact Malaria was submitted for registration in 23 sub-Saharan African countries and is **registered in the following countries** as of 5 July 2007 (this list will be updated regularly).
